Think about Your Medicare Coverage for Next Year

Each fall, Medicare allows you to change your Medicare health and drug coverage during the Annual Enrollment Period. It's important to review your coverage now to make sure it will meet your needs next year.

Important things to do:

- Check the changes to our benefits and costs to see if they affect you.** Do the changes affect the services you use? It is important to review benefit and cost changes to make sure they will work for you next year. Look in Sections 2.5 and 2.6 for information about benefit and cost changes for our plan.
 - Check the changes to our prescription drug coverage to see if they affect you.** Will your drugs be covered? Are they in a different tier? Can you continue to use the same pharmacies? It is important to review the changes to make sure our drug coverage will work for you next year. Look in Section 2.6 for information about changes to our drug coverage.
 - Check to see if your doctors and other providers will be in our network next year.** Are your doctors in our network? What about the hospitals or other providers you use? Look in Section 2.3 for information about our Provider Directory.
 - Think about your overall health care costs.** How much will you spend out-of-pocket for the services and prescription drugs you use regularly? How much will you spend on your premium? How do the total costs compare to other Medicare coverage options?
 - Think about whether you are happy with our plan.**
-

If you decide to stay with Geisinger Gold Preferred Advantage Rx:

If you want to stay with us next year, it's easy – you don't need to do anything.

If you decide to change plans:

If you decide other coverage will better meet your needs, you can switch plans between October 15 and December 7. If you enroll in a new plan, your new coverage will begin on January 1, 2016. Look in Section 3.2 to learn more about your choices.

SECTION 1 Unless You Choose Another Plan, You Will Be Automatically Enrolled in Geisinger Gold Preferred Advantage Rx in 2016

On January 1, 2016, Geisinger Indemnity Insurance Company will be combining Geisinger Gold Preferred Essential Rx with one of our plans, Geisinger Gold Preferred Advantage Rx.

If you do nothing to change your Medicare coverage by December 7, 2015, we will automatically enroll you in our Geisinger Gold Preferred Advantage Rx. This means starting January 1, 2016, you will be getting your medical and prescription drug coverage through Geisinger Gold Preferred Advantage Rx. If you want to, you can change to a different Medicare health plan. You can also switch to Original Medicare. If you want to change, you must do so between October 15 and December 7.

The information in this document tells you about the differences between your current benefits in Geisinger Gold Preferred Essential Rx and the benefits you will have on January 1, 2016 as a member of Geisinger Gold Preferred Advantage Rx.

SECTION 2 Changes to Benefits and Costs for Next Year

Section 2.1 – Changes to the Monthly Premium

Cost	2015 (this year)	2016 (next year)
Monthly premium (You must also continue to pay your Medicare Part B premium.)	\$31	\$69
Health+ Optional Supplemental Benefits For members enrolled in this optional package, an additional monthly premium applies	\$36.60	\$38

- Your monthly plan premium will be more if you are required to pay a late enrollment penalty.
- If you have a higher income, you may have to pay an additional amount each month directly to the government for your Medicare prescription drug coverage.
- Your monthly premium will be less if you are receiving “Extra Help” with your prescription drug costs.

Section 2.2 – Changes to Your Maximum Out-of-Pocket Amounts

To protect you, Medicare requires all health plans to limit how much you pay “out-of-pocket” during the year. These limits are called the “maximum out-of-pocket amounts.” Once you reach this amount, you generally pay nothing for covered Part A and Part B services for the rest of the year.

Cost	2015 (this year)	2016 (next year)
<p>In-network maximum out-of-pocket amount</p> <p>Your costs for covered medical services (such as copays and deductibles) from network providers count toward your in-network maximum out-of-pocket amount. Your plan premium does not count toward your maximum out-of-pocket amount.</p>	\$10,000	

Section 2.3 – Changes to the Provider Network

Our network has changed more than usual for 2016. An updated Provider Directory is located on our website at GeisingerGold.com. You may also call Member Services for updated provider information or to ask us to mail you a Provider Directory. **We strongly suggest that you review our current Provider Directory to see if your providers (primary care provider, specialists, hospitals, etc.) are still in our network.**

It is important that you know that we may make changes to the hospitals, doctors and specialist (providers) that are part of your plan during the year. There are a number of reasons why your

provider might leave your plan but if your doctor or specialist does leave your plan you have certain rights and protections summarized below:

- Even though our network of providers may change during the year, Medicare requires that we furnish you with uninterrupted access to qualified doctors and specialists.
- When possible we will provide you with at least 30 days' notice that your provider is leaving our plan so that you have time to select a new provider.
- We will assist you in selecting a new qualified provider to continue managing your health care needs.
- If you are undergoing medical treatment you have the right to request, and we will work with you to ensure, that the medically necessary treatment you are receiving is not interrupted.
- If you believe we have not furnished you with a qualified provider to replace your previous provider or that your care is not being appropriately managed you have the right to file an appeal of our decision.
- If you find out your doctor or specialist is leaving your plan please contact us so we can assist you in finding a new provider and managing your care.

Section 2.4 – Changes to the Pharmacy Network

Amounts you pay for your prescription drugs may depend on which pharmacy you use. Medicare drug plans have a network of pharmacies. In most cases, your prescriptions are covered only if they are filled at one of our network pharmacies.

Our network has changed more than usual for 2016. An updated Pharmacy Directory is located on our website at GeisingerGold.com. You may also call Member Services for updated provider information or to ask us to mail you a Pharmacy Directory. **We strongly suggest that you review our current Pharmacy Directory to see if your pharmacy is still in our network.**

Section 2.6 – Changes to Part D Prescription Drug Coverage

Changes to Our Drug List

Our list of covered drugs is called a Formulary or “Drug List.” A copy of our Drug List is in this envelope.

We made changes to our Drug List, including changes to the drugs we cover and changes to the restrictions that apply to our coverage for certain drugs. **Review the Drug List to make sure your drugs will be covered next year and to see if there will be any restrictions.**

If you are affected by a change in drug coverage, you can:

- **Work with your doctor (or other prescriber) and ask the plan to make an exception** to cover the drug.
 - To learn what you must do to ask for an exception, see Chapter 9 of your Evidence of Coverage (What to do if you have a problem or complaint (coverage decisions, appeals, complaints)) or call Member Services.
- **Work with your doctor (or other prescriber) to find a different drug** that we cover. You can call Member Services to ask for a list of covered drugs that treat the same medical condition.

In some situations, we are required to cover a **one-time**, temporary supply of a non-formulary in the first 90 days of coverage of the plan year or coverage. (To learn more about when you can get a temporary supply and how to ask for one, see Chapter 5, Section 5.2 of the Evidence of Coverage.) During the time when you are getting a temporary supply of a drug, you should talk with your doctor to decide what to do when your temporary supply runs out. You can either switch to a different drug covered by the plan or ask the plan to make an exception for you and cover your current drug.

If you were approved for a formulary exception in 2015, unless otherwise noted in your Notice of Approval of Medical Coverage letter, a new formulary exception will not be needed for 2016 as long as you remain a member of the same plan.

Changes to Prescription Drug Costs

Note: If you are in a program that helps pay for your drugs (“Extra Help”), **the information about costs for Part D prescription drugs may not apply to you.** We sent you a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also called the “Low Income Subsidy Rider” or the “LIS Rider”), which tells you about your drug costs. If you get “Extra Help” and haven’t received this insert by September 30, 2015, please call Member Services and ask for the “LIS Rider.” Phone numbers for Member Services are in Section 7.1 of this booklet.

There are four “drug payment stages.” How much you pay for a Part D drug depends on which drug payment stage you are in. (You can look in Chapter 6, Section 2 of your Evidence of Coverage for more information about the stages.)

The information below shows the changes for next year to the first two stages – the Yearly Deductible Stage and the Initial Coverage Stage. (Most members do not reach the other two stages – the Coverage Gap Stage or the Catastrophic Coverage Stage. To get information about your costs in these stages, look at Chapter 6, Sections 6 and 7, in the attached Evidence of Coverage.)

Changes to the Deductible Stage

Stage	2015 (this year)	2016 (next year)
Stage 1: Yearly Deductible Stage	Because we have no deductible, this payment stage does not apply to you.	Because we have no deductible, this payment stage does not apply to you.

Changes to Your Cost-sharing in the Initial Coverage Stage

Please see the following chart for the changes from 2015 to 2016.

To learn how copayments and coinsurance work, look at Chapter 6, Section 1.2, Types of out-of-pocket costs you may pay for covered drugs in your Evidence of Coverage.

Changes to the Coverage Gap and Catastrophic Coverage Stages

The other two drug coverage stages – the Coverage Gap Stage and the Catastrophic Coverage Stage – are for people with high drug costs. **Most members do not reach the Coverage Gap Stage or the Catastrophic Coverage Stage.** For information about your costs in these stages, look at Chapter 6, Sections 6 and 7, in your Evidence of Coverage.

SECTION 3 Deciding Which Plan to Choose

Section 3.1 – If you want to stay in Geisinger Gold Preferred Advantage Rx

To stay in our plan you don't need to do anything. If you do not sign up for a different plan or change to Original Medicare by December 7, you will automatically stay enrolled as a member of our plan for 2016.

Section 3.2 – If you want to change plans

We hope to keep you as a member next year but if you want to change for 2016 follow these steps:

Step 1: Learn about and compare your choices

- You can join a different Medicare health plan,
- --OR-- You can change to Original Medicare. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan and whether to buy a Medicare supplement (Medigap) policy.

To learn more about Original Medicare and the different types of Medicare plans, read Medicare & You 2016, call your State Health Insurance Assistance Program (see Section 5), or call Medicare (see Section 7.2).

You can also find information about plans in your area by using the Medicare Plan Finder on the Medicare website. Go to <http://www.medicare.gov> and click “Find health & drug plans.” **Here, you can find information about costs, coverage, and quality ratings for Medicare plans.**

Step 2: Change your coverage

- To change to a **different Medicare health plan**, enroll in the new plan. You will automatically be disenrolled from Geisinger Gold Preferred Advantage Rx.
- To **change to Original Medicare with a prescription drug plan**, enroll in the new drug plan. You will automatically be disenrolled from Geisinger Gold Preferred Advantage Rx.
- To **change to Original Medicare without a prescription drug plan**, you must either:
 - Send us a written request to disenroll. Contact Member Services if you need more information on how to do this (phone numbers are in Section 7.1 of this booklet).
 - – Or – Contact **Medicare**, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

SECTION 4 Deadline for Changing Plans

If you want to change to a different plan or to Original Medicare for next year, you can do it from **October 15 until December 7**. The change will take effect on January 1, 2016.

Are there other times of the year to make a change?

In certain situations, changes are also allowed at other times of the year. For example, people with Medicaid, those who get “Extra Help” paying for their drugs, and those who move out of the service area are allowed to make a change at other times of the year. For more information, see Chapter 10, Section 2.3 of the Evidence of Coverage.

If you enrolled in a Medicare Advantage plan for January 1, 2016, and don’t like your plan choice, you can switch to Original Medicare between January 1 and February 14, 2016. For more information, see Chapter 10, Section 2.2 of the Evidence of Coverage.

SECTION 5 Programs That Offer Free Counseling about Medicare

The State Health Insurance Assistance Program (SHIP) is a government program with trained counselors in every state. In Pennsylvania, the SHIP is called Apprise.

Apprise is independent (not connected with any insurance company or health plan). It is a state program that gets money from the Federal government to give **free** local health insurance counseling to people with Medicare. Apprise counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call Apprise at 1-800-783-7067.

SECTION 6 Programs That Help Pay for Prescription Drugs

You may qualify for help paying for prescription drugs. Below we list different kinds of help:

- **“Extra Help” from Medicare.** People with limited incomes may qualify for “Extra Help” to pay for their prescription drug costs. If you qualify, Medicare could pay up to 75% or more of your drug costs including monthly prescription drug premiums, annual deductibles, and coinsurance. Additionally, those who qualify will not have a coverage gap or late enrollment penalty. Many people are eligible and don’t even know it. To see if you qualify, call:
 - 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048, 24 hours a day/7 days a week;
 - The Social Security Office at 1-800-772-1213 between 7 a.m. and 7 p.m., Monday through Friday. TTY users should call, 1-800-325-0778 (applications); or
 - Your State Medicaid Office (applications);
- **Help from your state’s pharmaceutical assistance program.** Pennsylvania has a program called PACE that helps people pay for prescription drugs based on their financial need, age, or medical condition. To learn more about the program, check with your State Health Insurance Assistance Program (the name and phone numbers for this organization are in Section 5 of this booklet).
- **What if you have coverage from an AIDS Drug Assistance Program (ADAP)?** The AIDS Drug Assistance Program (ADAP) helps ADAP-eligible individuals living with HIV/AIDS have access to life-saving HIV medications. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance. For information on eligibility criteria, covered drugs, or how to enroll in the program, please call the Special Pharmaceutical Benefits Program, (SPBP) customer service at 1-800-922-9384. - If you are currently enrolled in an ADAP, it can continue to provide you with Medicare Part D prescription cost-sharing assistance for drugs on the ADAP formulary. In order to

be sure you continue receiving this assistance, please notify your local ADAP enrollment worker of any changes in your Medicare Part D plan name or policy number. For information please call the SPBP customer service at 1-800-922-9384.
