Transfers

Transfers are available for 75 cents and can be used when you are traveling more than one bus route. Ask your driver for one as soon as you board the bus. Transfers can only be purchased at the same time as your regular cash fare. Half-fare transfers are 35 cents. Transfers are for use only in continuous direction – from point of origin to point of destination. Transfers are not good for a return trip on the same route, or on any other route returning to your point of origin. Transfers are good only for 90 minutes from the time of purchase and only on the date purchased.

How to Pay

Please have your fare or pass ready before you board. If you do not have exact change, you will be issued a change card, as drivers do not carry any cash.
