Have in-network coverage — anywhere in the country

Geisinger Health Plan's Self-Funded ASO product now offers in-network coverage nationally via our national wrap network provided through First Health®.

What does this mean?

- **Members living in the Geisinger service area** can now go to a First Health provider anywhere in the country and the claim is paid in-network.
- **Members have the option to see a First Health or Geisinger-contracted provider** when in the service area.

The First Health network is one of the largest in the nation, including 96.5% of all U.S. hospitals. It offers over 800,000 professional providers and 125,000+ ancillary providers.
