Learn about Geisinger Extra

Members can get the care they need in a truly innovative way through Geisinger Extra. Choosing a primary care site designated as an Extra site means lower office visit copays.

Some Geisinger Extra sites are also ProvenHealth Navigator® (PHN) locations. At these offices, members receive “extra” care because PHN sites include a Geisinger Health Plan nurse who works closely with physicians and office staff to provide additional services.

Service area & eligibility

Geisinger Extra is available to small group employers in the 1 to 50 market segment and large group employers in the 51+ market segment in select counties.
