Geisinger

You can't beat our integrated care and coverage.

At Geisinger Health Plan (GHP), our services are integrated with Geisinger, an innovative, physician-led health system based in central Pennsylvania. Working with our clinical partners lets us manage costs, develop innovative programs, improve access to care and offer a network of top-quality providers who deliver positive outcomes.

GHP is also nationally recognized for high-quality, cost-saving programs, like ProvenCare[®], pharmacy Care Pathways and Fresh Food Farmacy[®]. These programs, among others, are only possible in an integrated health system that's working to help our communities. We're proud to live and provide care in central and northeastern Pennsylvania, where we've been for more than 100 years.
