

Broker Bulletin Special Edition

Have clients with UnitedHealthcare Medicare, AARP or Humana Medicare Advantage networks? Beginning Jan. 1, 2024, WellSpan providers and hospitals will no longer be in network for them. That means if your clients with UnitedHealthcare Medicare, AARP or Humana Medicare Advantage networks go to WellSpan Health, they will pay out-of-network costs. Those are typically higher than in-network costs.

Make sure your clients have access to care when they need it. Encourage them to stay with WellSpan Health and receive generous benefits with a Geisinger Gold Medicare Advantage plan, like access to:

- Over 30,000 providers in Pennsylvania
- More than 180 hospitals
- Nearly 3,000 pharmacies
